## **MRTA MISSION STATEMENT**

The Missouri Retired Teachers Association and Public-School Personnel organized in 1960 is the only educational organization in Missouri working exclusively for retired school personnel. MRTA will work actively with government and its entities for beneficial legislation. We shall strive to increase membership until all retirees become members, and always foster good fellowship. We will encourage members to be involved in community affairs and work for worthy educational causes. Our mission is to serve and not to be served.

## **MRTA VISION**

The Missouri Retired Teachers Association and Public-School Personnel is a caring, active, and knowledgeable community. Members give their talents and time to support retired and active public-school employees. Members strive to uphold and improve the integrity, value, and mission of our public schools, so that all school personnel may live healthy, vital lives and be secure economically, socially and professionally in retirement. MRTA is an affiliate of AARP, and NRTA. Our motto is "To Serve, Not To Be Served."
